Createspace, United States, 2012. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Teaching and Coaching Football Punting Mechanics gives coaches and punters specific techniques and drills that equip you to coach and improve the punting skill. Coach Renner has detailed the essential techniques using his unique coaching vocabulary and proven drill sequence. This enables you to effectively coach punters or to train yourself. Coach Renner has used this program to develop high school, college and NFL players. Punting is a skill that can be coached and trained and Coach Bill Renner provides the details and drill sequence to make you feel comfortable coaching punters. He uses simple, concise words to describe the techniques with easy to understand and implement drills to train the techniques. Coach Renner removes any uncertainty about what techniques are essential to coach to improve a punter's height, distance and accuracy. Coach Bill Renner has been a noted expert in coaching and teaching punting for over 28 years. His 23 years experience as a head football coach make it easy for him to identify what coaches and players need for coaching and training the punting skill. He is articulate, detailed and precise in relaying his techniques and drills to you. Photographs depicting the techniques and drills you will use provide clarity to his descriptions. If you desire to understand the punting mechanics, to improve your ability to coach punters or to improve your punting this book was written for you.
