Gabriel s Lamb (Paperback)

By Martin Sparks

Electric Village Books, United States, 2013. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.Martin Sparks debut novel is a layer cake of science fiction, medical ethics, and reflections on the borders between science, faith, and politics. In a genre dominated by action stories, tie-ins, and archetypes, the detailed characters and careful science stand out, creating a science fiction story which could unfold in anyone's small town. Twelve-year-old Rosetta has a problem. God speaks to her and fills her life with joy and certainty she longs to share. But on top of the usual problem that no one listens to kids, whenever she tries to talk about God, people send her to specialists. Worse yet, the latest trip to a specialist went horribly wrong, stranding her in remote Ithaca, New York, far from her home laboratory. So she must search for family in this strange country of lonely people, and despite what kings, priests, and scholars say about her, carry on heeding the voices in her head. But powerful forces stalk Rosie. A high technology firm is desperate to get her back before their rivals get a chance to...

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
