Mindworks: An Introduction to NLP

By Anne Linden, Kathrin Perutz

Crown House Publishing. Paperback. Book Condition: new. BRAND NEW, Mindworks: An Introduction to NLP, Anne Linden, Kathrin Perutz, How do you motivate yourself? What is it that you habitually do but are unaware of that controls the outcomes of your life? Becoming aware means gaining the power to choose between what you do (or think) 'automatically' and what you would like to do. By becoming conscious of how your hidden (unconscious) mind actually works and applying the very simple techniques demonstrated in "Mindworks" you can make changes that lead to new thinking and new behaviour. Instead of telling yourself 'I'm not good enough' you can switch in an instant to telling yourself 'I can do it!' Instead of seeing an out-of-focus picture of your goal, you can have a clear, sharp image that leads you directly to it. "Mindworks" shows you how to 'change' your mind, reprogram your thoughts, gain control of your fears and fulfil your desires and potential. Anything is possible - when you know your own mind! "Mindworks" will show you how to: say what you mean to get others to respond the way you want; use principles of the new linguistics to communicate more precisely with yourself...
