

Understanding Organizations

By Charles B. Handy

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Understanding Organizations, Charles B. Handy, Organizations are a part of everyday life, whether in schools, hospitals, police stations or commercial companies. In this classics text, Charles Handy argues that the key to successful organizations lies in a better understanding of the needs and motivations of the people within them. "Understanding Organizations" offers an extended 'dictionary' of the key concepts - culture, motivations, leadership, role-playing, co-ordinating and consultation - and then shows how this 'language' can help us find new solutions to familiar problems. Few management writers have been as consistently challenging and influential as Charles Handy. Firmly established as one of the core business texts, this book is essential reading for anyone interested in organizations and how to make them work better.
