Enjoy this classic work today. These selected paragraphs distill the contents and give you a quick look inside The German Spy System from Within: Look inside the book: The present policy-in face of what the Government know, and what I myself know, as one who has spent the past seven years in studying the German Secret Service system and patiently watching its agents-allows, for example, Baron von Bulow, brother of the German ex-Chancellor, to live comfortably at Putney, in the full enjoyment of a telephone; it mysteriously reverses many military orders for the removal of alien enemies from prohibited areas, providing always that those persons are of the better class; it allows signals to be sent nightly from our shores to the sea, and vice versa; it releases about 1,000 aliens monthly from the internment-camps; it has attempted to gag the Press, and is, to-day-as I will presently prove-stifling all inquiries into the doing of spies among us. The syndicalism of the present day is a realisation of a dream that Stieber dreamed-not for the...
