THE SHADOW CHURCH: THE FADING GLORY OF THE PEOPLE OF GOD (PAPERBACK)

Tate Publishing Enterprises, United States, 2008. Paperback. Book Condition: New. 206 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.Working Teaser: Have you ever thought that the church is not what God intended it to be? Have you ever wondered how the church came to be so ineffective? The twenty-first century church is in fast decline. In fact, it is under attack. With the onslaught of false teaching, popular Christian movements, and the emerging church, just to name a few examples, the church has slowly become more and more superficial. The church, no doubt, lives in perilous times. With lack of purpose, troubled church membership, and other theological derailments, the local church has quickly grown stale. The church has declined to such a spiritual state that it has become The Shadow church. What could possibly revive the local church to its once and future glory? Author and Pastor Frank Thomas makes careful observations as to what the true purpose of the church is. He also takes an in-depth look at the problems the Western church encounters. Furthermore, he lays out systematic solutions to these and further problems that face the local church. Frank Thomas has been happily married to his wife Vi for thirty-seven years. They have two children, and nine grandchildren. Frank was involved in education for ten years as both a high school science teacher, and high school (secondary) principal. Frank has been in the full time ministry as Sr. Pastor for the past 26 years. Frank holds a Bachelor of Science and Masters of Science Degree in education. Frank also holds an earned Ph.D in expository preaching.
