FLY GUYS: MONDAY MADNESS (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.A new young children s book, Fly Guys: Monday Madness tells the fun story of two unlikely best friends, a fly called Fuzz and 5-year-old Alice. Their mop-based adventure to the moon is brought crashing back to earth when Alice s dad attempts to swat Fuzz. When Fuzz asks Alice why her dad hates flies, the story takes a thoughtful turn and raises questions about difference, diversity and friendship. Mandip Sahota, Private Secretary to Minister of State at Foreign Commonwealth Office, UK Government - I loved this book. At a time when we hear reports of prejudice on the increase, the challenge is how to promote equality. Fly Guys is a fun story with a reassuring reminder - children are not born with prejudice. Bobby Thandi has definitely achieved something special here - a series that will help us all tackle prejudice one day at a time. Fuzz and Alice should be on every child s bookshelf! Bill Schultz, CEO Home Plate Entertainment, four-time Emmy-award winning animation producer and Studio Executive with more than 25 years of experience, producing such hit shows as The Simpsons, King of the Hill, Garfield, Clifford the Big Red Dog, He Man and the Masters of the Universe and Hero:108. - This book shows the sensitivity and creativity of an experienced creator. Fly Guys is a fun read and the art style is light and very appealing. The heavy and important subject is easily conveyed through the author s careful use of color and action. Fly Guys is a must read for any parent of a child living in a diverse world. Meaning - Planet Earth. Bravo Bobby! Pamela Duncan Edwards, New York...
