Reviews

It is one of the best books. Better than ever, though I am quite late in starting to read this one. You won't feel monotony at any moment of the time (that's what catalogues are for regarding in the event you check with me).

(Dr. Kristin Dickens)

VANISHED HOW TO PROTECT YOURSELF AND YOUR CHILDREN

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 284 pages. Dimensions: 10.0in. x 7.0in. x 0.6in. Vanished is a step-by-step guide that will teach you how to protect yourself and your loved ones. It will assist institutions and businesses with protecting their employees and customers. Every year almost 800, 000 children and 200, 000 adults are reported missing; and well over 1. 3 million violent assaults are committed. That averages out to 2, 700 disappearances and 3, 500 attacks every day. These disappearances may involve kidnappings, miscommunication, unfortunate accidents, runaways, and more. Learn how to protect your family at all times from any disappearance. It is estimated that over 260, 000 children are kidnapped every year by estranged parents and strangers. It is also estimated that over 1. 5 million children run away every year and of those 5, 000 will die. You or someone you care about does not have to become a victim. Learn about the many unfortunate accidents and criminal threats we all face every day and how to prevent these disappearances and attacks. Should a loved one disappear, for whatever reason, learn how to find them as quickly as possible--before they are seriously harmed or vanish. This book provides an individual and family security plan that is easy to follow. Learn all about safety and security at home, work, school, during daily travels and vacations--anywhere you go. Included are simple and inexpensive security measures you can start taking now including self-defense tactics. Learn all about awareness and prevention. Know how to fight back and survive sexual and violent predators, stalking, kidnappings, human trafficking, Internet cybercrimespredators, runaways, bullying, identity theft, and much more. Learn how to become a hard target versus a soft target. The focus of this book is missing-persons and violent assaults....
