This book is similar in style and is an interpretive pre-reader book that is mostly picture driven and contains only 7 total words. The reader makes up their own story as they go. Perfect for stimulating the imagination and inventing the story as they see it. It is a fantasy dragon book that is sure to excite. It contains an activity page in the end that shows you how to draw a dragon and a dragon maze. This is a perfect pre-reader book toddlers. The title speaks to Damien, the older brother, but the hero of the story is actually the sister. Find out how!.
