This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2008 in the subject English - History of Literature, Eras, grade: 2,0, University of Göttingen (Seminar für Englische Philologie), course: Of Cannibals and Promised Lands: Typology in early American literature, language: English, abstract: 1. On the one hand he justified slavery and the plantation system and on the other hand he condemned the colonial project and slavery. I will show some passages from the poem as examples for the thesis of justification of slavery and the...
