DISPERSIVE SAWs IN LAYERED SYSTEMS CONSISTING OF CUBIC PIEZOELECTRICS

Book Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | New Dispersive Shear-Horizontal Waves and Love Type Waves in Layered Systems Consisting of Cubic Piezoelectrics | This work studies propagation of different SH-SAWs treating various configurations using the cubic crystals Bi₁₂SiO₂₀ and Bi₁₂GeO₂₀, which possess strong piezoelectric effect. Possible cuts for the wave propagation are treated when an even-order symmetry axis of a crystal is perpendicular to the sagittal plane, and when some analytical solutions can be obtained studying propagation direction...

Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have got read through during my individual life and might be the finest publication for ever.

-- **Prof. Murl Shanahan DDS**

This written ebook is fantastic. It is probably the most incredible ebook we have read. It has been written in an extremely basic way in fact it is just following I finished reading this publication where basically modified me, affect the way I think.

-- **Howell Reichel**
