Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Would a proven way of eating (one that has already helped tens of thousands reverse disease and stay healthy) be worth some consideration? These folks would say, YES! Larry, a retired college teacher, was diagnosed with prostate cancer Years later, he is still going strong after refusing to go the conventional medical route at all. Justin is a singer who was diagnosed with (of all things) cancer in the throat. Yet, just a year later, he witnessed doctors call in technicians to see if the x-ray machine was broken because the cancer wasn't appearing on the screen anymore. Judy was diagnosed with incurable Multiple Sclerosis 20 years ago. Her most recent brain scan showed that all of the lesions she once had on her brain are now gone. Karen is a legal professional. She suffered a sudden case of paralysis while still a young woman who was about to begin pursuing her career. After finally being diagnosed with Lupus years later, she turned to nutrition, and is now 95 free of all its symptoms. Suzy suffered from bi-polar disorder for decades. Then one day, she heard a man speak who opened a door of knowledge and showed her how living foods could bring incredible healing. After doctors told her she'd never be able to get off powerful psychotropic medicines, she hasn't even taken an aspirin in years. Lee is a successful business owner whose life became overwhelmed by a strange mental fog. But a friend however, shared with him exactly what to do after doctors informed Lee that he had brain cancer. Faye suffered with severe digestive problems and pain throughout her body for...
