STATE BOARDS OF EDUCATION (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from State Boards of Education By an amendment to the Constitution of the State of California. adopted by the people at the last election, the legislature is to provide for the appointment or election of a State Board of Education, which board is to provide, compile or cause to be compiled, and adopt a uniform series of text-books for use in the day and evening elementary schools throughout the state, and to perform such other duties as may be prescribed by law. This in effect abolishes the existing State Board of Education and places upon the legislature the responsibility of creating a new one and defining its powers and duties. The creation of a new state board of education in these days when educational legislation is basing itself more and more upon scientific educational principles is a delicate and a difficult, as well as a most important task, a task which should not be undertaken without a full knowledge of the structure, functions, and degrees of efficiency of the existing state boards of education throughout the country. It is desirable, therefore, for the benefit of citizens who may be interested in any attempt to modify the educational system of the State, and particularly those upon whom must devolve the responsibility of legislation, to have at hand and easily accessible the main facts pertaining to state boards of education. These facts are scattered through the educational codes and the constitutions of the forty-eight states. Few persons have the time, the necessary documents, or the patience to look them up, even if they should feel a need of so doing. It seemed, therefore, that a public service might...
