Within the elite aristocracy, games of another type are being played, deadly secrets are a threat to more than status, and conspiracy is a way of life for those who are unhappy. Lucius has long been exalted as a warrior without peer. Adored and coveted by men and women alike, he is blind to the plots that are thickening around him. While total control is his on the bloody fields of war, on the battlefield of the heart, as he is about to discover, even the strongest man can be deceived by his ignorance. Watching over it all is the majesty of Vesuvius, sputtering smoke, promising retribution. In the midst of the looming destruction, an ancient evil emerges, and will claim not only a celebrated general of Rome, but the slave girl he has slowly grown to love and cherish. A girl who will follow him into hell itself?.
