Opposite to this part of the quay, across the river, on a little island, we find the principal hemp and flax wharf and warehouses. A short distance above this is another small island, holding warehouses for landing and bonding brimstone and allum, and a few other articles fit to go there. From these quarters the lighters in proceeding to Cronstadt must pass by the Exchange, and then go through the Isaac Bridge on the Great Neva, the lower parts of the Little Neva, behind the Vassilievsky Island not being navigable. 153.--- From the brimstone and allum warehouses we again ascend...
