Summary: It's as easy as ABC to create beautiful scrapbooks, cards, and other decorated projects with these vintage alphabets and classic ornamentations. From ornate Victorian lettering to antique word tile images, from baroque initials to cherub letters, the range of charming designs offers something for everyone, and really turns an ordinary page into something memorable and unique. Use them to make monograms or labels for a journal, to write an irresistibly lovely message, or to embellish a memory box. Some of the alphabets are pretty as a picture just shown off as is.
